

# Devon Health and Wellbeing Board and Natural Devon (Devon Local Nature Partnership)

## COMPACT AGREEMENT

- 1. Introduction**
  - 1.1 This compact agreement describes the relationship between the Devon Health and Wellbeing Board and the Devon Local Nature Partnership.
- 2. Shared aim**
  - 2.1 To maximise the health and wellbeing impact of the natural environment in Devon through shared strategic approaches.
- 3. Shared strategic approaches**
  - 3.1 The natural environment of the County offers a wide range of opportunities to produce social, economic and environmental, as well as physical and emotional, benefits to health and wellbeing.
  - 3.2 Devon Health and Wellbeing Board and Devon Local Nature Partnership commit to making explicit strategic objectives in both the Devon 'Joint Health and Wellbeing Strategy' and the Devon Local Nature Partnership's prospectus and subsequent delivery plan.
  - 3.3 Through the joint strategic needs assessment process relevant data and the evidence of effectiveness of interventions will be shared and promoted.
  - 3.4 The commissioning plans of the members of the Devon Health and Wellbeing Board and Devon Local Nature Partnership will set out relevant actions as appropriate.
- 4. Strategic links**
  - 4.1 The Director of Public Health is an executive member of the Devon Health and Wellbeing Board and Board member of the Devon Local Nature Partnership.
  - 4.2 The Executive Officer group of the Devon Local Nature Partnership has public health team representation.
- 5. Annual review**
  - 5.1 This compact agreement will be reviewed annually and commissioning activity reported on.
