

DARK SKIES BINGO

Spot Venus	Turn off an outdoor light	Take a night time photo	Listen for owls
Go on a night walk	Look for craters on the moon	Make a hedgehog house	Carry out a home lighting assessment
Craft a nocturnal creature	Find a moth (see if you can identify it)	Shut all the curtains when it is dark outside	Spot the North Star
Make a planisphere	Spot Orion	Spot a nocturnal mammal	Turn off all the lights in your home for an hour

How to play
Complete the activities in each square and then you can cross it out. See if you can get a line of activities crossed out or even the whole grid
