

Green Minds – bringing nature based solutions to lives

Green Launch 12-20 October, 2020

Get Involved

Rewilding Plymouth

Tell us about what you're doing for wildlife in Plymouth and help us create a digital community map of rewilding action!

wildlife@plymouth.gov.uk

Action for Insects

Act now to save insects! Free activities, information and resources here:

devonwildlifetrust.org/take-action/action-insects
wildlifetrusts.org/take-action-insects-your-school

Living Lab

Join us to find out how we are revealing nature in Central Park through digital technology. What stories can data tell us about nature in the park? **Saturday 17 October 10am-12noon** drop in at the Meadows Café, Central Park to be part of a Covid-secure, socially distant activity.
